## **Reader's Opinions**

This series, which is difficult to find all of due to it's name resembling a number, is one of the rare series I've kept. The drama, is as these comic novels go, is over the top, of course. There is delving into both pop music...

Giving this a 4.5. :)It's fun and very light. I just expected more towards the end, but what did I expect??? This is a series!
